

Andy Findon and Geoff Eales

The Dancing Flute

Jazz pianist and composer Geoff Eales partners classical and ethnic flautist and saxophonist Andy Findon in a dance-related series of exquisite compositions. The collaboration is a winning combination founded on talent, taste, experience and musical prowess. *Eternal Dance* sets the tone with spirited phrases and uptempo gracefulness, while *Song For My Mother* presents a more thoughtful, reflective moment in time. *Force 11* reveals the duo to be at home with a more cinematic and experimental approach, while closer *The Last Kiss* bids a satisfying farewell.
